

Full Access Frameless

## SUTTON DRIFTWOOD

*Relaxed Character*

There is a certain comfort we find in the shaker style. It often reminds us of tradition and family memories that set the tone for a relaxed environment in our homes.

Sutton Driftwood combines the comfortable style of shaker with the modern full access function that has become popular in recent years. Utilizing contoured, traditional framing details with a beautiful textured driftwood graining.

### **SUTTON DRIFTWOOD CONSTRUCTION:**

Full access, soft-close melamine shaker doors and drawer fronts, PVC edge-banding, soft-close Legrabox system.
