DEALER SET-UP

Section One

NEW ACCOUNT SET-UP

- If you are not yet a RiverRun dealer, please complete and email the following forms to your RiverRun Representative or to RiverRun:

- ☐ Account Registration
- ☐ Dealer Application
- ☐ Finish/Glaze Awareness Form
- ☐ Tax Exempt Certification (*required for VA State residents only, if applicable*)
- ☐ Credit Card Authorization Form (if applicable)
- ☐ Sales Aid Order Form

These forms can be found on the following pages. Please contact your rep for electronic versions.

- Once your account has been reviewed and approved, you will receive an email notification providing instructions for registering on and logging into our Dealer Site and Online Order Site.

DEALER SITE REGISTRATION

- Once your account has been approved and you receive a dealer account number by email, you can register on the Dealer Site. This is where you can access updates to the sales binder along with other useful sales aids. To register...
 - ☐ Visit <https://www.riverruncabinetry.com/membership-login/>
Go to, *Set-up your RiverRun account here.*
 - ☐ Use your dealer account number when registering. You can register multiple usernames and passwords within your company as long as each one uses your designated dealer account number and each one is associated with a different email address.
 - ☐ Once activated, use your username and password to login. If you forget your password or username, you can reset it using the "forgot password" or "forgot username" option.

ONLINE ORDERING SITE REGISTRATION

- Once your account has been approved, you will receive an email with your username and password to log into the Online Order Site. **This is where you will create quotes and submit orders.** See the ORDER PROCESS section of the binder for additional information about placing orders and using this site.

FINISH & WARRANTY AGREEMENT

FINISH / GLAZE / PAINT AWARENESS AND WARRANTY / DAMAGE PROCESS UNDERSTANDING AGREEMENT

Purpose: to assure a clear understanding regarding finish and glazing expectations and the warranty and damage replacement process and scope.

FINISH / GLAZING / PAINT AWARENESS

Glazing is a hand-applied technique. Slight tonal variations and varied brush strokes should be expected. This is the artistic characteristic of hand brushed glazes. We believe your understanding of your unique finish selection is essential to your appreciation and ultimate satisfaction.

Expansion and contraction often due to the climate is normal and to be expected with natural wood. Painted products especially may exhibit seam lines at the joints. This is not a defect and not a reason for replacement. As the wood ages the color may lighten or darken over time.

By signing below, you are confirming that you understand and consider acceptable the variation in glaze that is inherent in artistic finishes and that any of our doors may slightly expand or contract with the changes in the climate. Long exposure to sunlight or fluorescent lighting will eventually cause any wood to darken. You also agree to not hold RiverRun Cabinetry responsible if the finish and/or glaze characteristic does not meet your or your customer's approval at a later date.

DAMAGE / WARRANTY REPLACEMENT PROGRAM

This program can be found in your RiverRun Cabinetry Binder. Please ask your sales representative if you have any questions regarding the content of our Damage/Warranty Replacement Program.

By signing below, you are confirming that you understand and consider acceptable RiverRun Cabinetry's Damage and Warranty Program.

I understand and am held responsible for assuring all in my organization understand the above mentioned programs.

ORDER PROCESS

Section Two

ONLINE ORDER PROCESS

- Login to the online order site <https://orders.riverruncabinetry.com> using the username and password provided to you. (An email containing your username and password will be sent to you once your account has been approved.) Your password can be changed once you have logged in for the first time.

CREATING A QUOTE/ORDER

- To create a quote, go to the **Products tab** and choose a door style. (Door style can be changed at a later time if desired.)
- Begin adding items to your quote.
 - ☐ Find items by selecting a category such as *Walls, Bases, or Talls*. Narrow the results by choosing to view a subcategory (for example Wall subcategories include *12" Deep, 24" Deep, Blind, Corner*, etc...).
 - ☐ Select the measurements, finished sides, modifications, and/or accessories for the desired item.
 - ☐ Specify a quantity and *Add to Quote*. Repeat these steps, adding items to your current quote.
- View, save, or submit (as an order) your quote at any time by going to the **Current Quote tab**.
 - ☐ On the *Current Quote* page, you will be able to view all of the items that have been added to your quote.
 - ☐ To view your costs, select a shipping address and click on *Get Quote*.
 - ☐ To save your quote, select a shipping address, add a quote name, add a designer (if desired), and click on *Save Quote*. If the quote has saved successfully, there will be a small green box that says "Quote Saved," below the *Checkout* button, and you will also be able to see your quote on the *Saved Quotes* page.
 - ☐ To submit your current quote as an order, click on *Checkout*. The site will direct you through the checkout process from there.
- Begin a new quote by choosing *Clear Quote* on the *Current Quote page*. (Make sure your current quote has been saved before clearing the quote.) From there, you can choose to *Modify/Add to Order* or you can go to the *Products* tab to start adding items to the new quote.

ORDERING SAMPLES

- Order samples from the **Samples tab**.

SUBMITTING AN ORDER

- Orders can be submitted from two places, the *Current Quote* page or the *Saved Quotes* page.
 - ☐ From the *Current Quote* page, click on *Checkout*. The site will lead you through the process.
 - ☐ From the *Saved Quotes* page, click *Submit Order* to turn the desired quote into an order. The site will lead you through the checkout process from there.
- Once an order has been submitted, a copy of the sales order will immediately be sent to the account's primary notification email as well as the primary contact for that specific order (if a primary contact email is entered).
- Check for messages regarding your order that will appear both on the checkout screen and on the emailed copy of the sales order. On the Online Order Site, these messages will appear in red boxes. Most are self explanatory. **Please respond to any messages that require an action in order to prevent any delays in processing your order.** See message examples below.

IMPORTANT MESSAGES

- Please be aware of any notifications indicated on your order during the checkout process. These messages may ask you to contact Customer Service, etc... It is important to pay attention to these.
- If you have any questions or concerns throughout the process, please be sure to save your order and feel free to contact our Customer Service Department.

SAVED QUOTES TAB

- You can filter saved quotes by designer or view them all at once.
- You can open saved quotes and modify them by adding or deleting items. If you need to change or customize an item that is already on the quote though, you must delete the current item on the quote and add a new item with the desired customizations.
- Be sure to save any changes you make.
- You can also turn quotes into orders here. (You will receive a copy of the sales order by email.)

ACCOUNT TAB

- **Change your primary notification email.**

A copy of each sales order is always sent to the primary notification email. You can change the primary notification email on the *Account* page.

Note: In addition to the primary notification email, designers can add a primary contact (to be associated with individual orders); this can be done at the time of checkout. Sales order confirmations will be sent to both the primary notification email and the primary contact for that order. If a primary contact is specified, Customer Service will send any notifications or questions about that order to that email.

- **Change your Password.**

This is probably the first thing you will want to do when visiting the site. You can also reset your password on the login page, if you have forgotten it.

- **Manage your designers.**

You can add as many designers as you would like to the account. Adding designers to the account is beneficial for organizing and finding quotes in the *Saved Quotes* Tab.

HELP TAB

- Find additional information and tips in the Help section. It would be worthwhile to read through this page and/or refer to it if you have any questions.

PROCESSING DETAILS

- Once an order has been submitted and payment has been received, we will begin processing the order.
- Find an estimated shipping date on the quote screen or checkout screen of the Online Order Site. When an order ships from our warehouse, a tracking number will be emailed to you notifying you that your order has shipped. (See the *Shipping* section of this binder for additional Shipping information.)
- We accept Visa, MasterCard, American Express, and Discover cards on cash in advance orders, as well as check-by-email, check-by-fax, or money orders. Customers with credit terms may not pay by credit card.

EXPEDITED ORDERS

- You may expedite your order for an additional fee. Expedited orders will shorten lead times but may be limited based on the type of order and the quantity of cabinets ordered. Modifications cannot be expedited.
- Depending on current production demands, RiverRun may not be able to expedite orders during certain periods of the year.

DESIGN SOFTWARE OPTIONS

- 2020 Catalog is available on our dealer site. Go to *2020 Catalog* (in the header menu) for a link to the latest catalog.
- ProKitchen Catalog is available on our dealer site. Go to *ProKitchen Catalog* (in the header menu) for a link to the latest catalog.

FREIGHT OPTIONS

- See the Shipping section of this binder for freight information.

SHIPPING PROGRAM

Section Three

CYCLE SHIP PROGRAM

- This program offers our dealers better service with regular scheduled deliveries on our trucks, fewer shipping damages and reduced shipping costs with a landed multiplier. Contact your Sales Rep or Customer Service to see if you qualify for this program. (Certain restrictions apply.)
- The majority of our dealers use this program as long as they meet the following delivery parameters:
 - ☐ Dealers will need to be able to receive delivery from a 70' truck (cab + trailer)
 - ☐ Delivery address must be serviced by the customer to unload cabinets off the back of the trailer
 - ☐ For Job site delivery needs, please consult Customer Service for available options.
- Current Cycle Ship Programs include the following areas:
 - ☐ Local - VA, MD, DE
 - ☐ Northeast - eastern PA, NJ, NY, CT, RI, MA, VT, NH, southern ME
 - ☐ Southeast - NC, SC, GA, FL
 - ☐ Prairie - IL, southern WI, IA, MO, NE, KS

CALCULATING FREIGHT COSTS

- Freight costs are based on the weight of your order and its destination. The Online Order Site will allow you to see your freight costs for orders that are shipping to pre-approved addresses.
- Customer Service will calculate orders that weigh less than 500 lbs or greater than 3000 lbs.

REGISTERING NEW SHIP TO LOCATIONS

- Ship to addresses must be pre-approved in order to see the freight costs.
- If you are shipping to a new address that has not yet been approved, Customer Service will calculate the freight costs after you submit the order and will bill freight separately. You can contact the Shipping Department to add a new shipping address to your account. Please allow at least two business days for new addresses to be approved and set up in your account.
- Please notify the Shipping Department if ship to addresses require any of the following services. (LTL companies may charge higher fees on site, direct to you, if these are not noted prior to delivery.) RiverRun will invoice customers for any assessorial fees incurred at time of shipment. Unpaid fees will result in a block on the account. Customers should address disputed fees directly with LTL companies.
 - ☐ Notification of delivery beyond tracking number
 - ☐ Lift gate services (required if you do not have a fork lift/truck height dock)
 - ☐ Residential/limited access area

SHIPPING TIME/PROCESSING TIME

- Shipping time will vary based on destinations, etc. To see processing details see the *Order Process* section of this binder.

CARRIERS

- *Carriers are selected based on the most economical rates. If you wish to choose another carrier, please call the Shipping Department.*
- Orders will be shipped palletized. Be sure to have proper equipment for receiving.
- Small items may be shipped via small package carrier. A damage disclaimer may need to be signed. Please check with the Shipping Department. Single assembled cabinets cannot be shipped via a small package carrier.

PICK UPS

- Pick ups should be scheduled with the Shipping Department. Contact the Shipping Department for information about the available days and times for pick ups.

TRACKING SHIPMENTS

- A tracking number will be emailed to you once your order has shipped. Delivery time frame and progress tracking will be available to you through the carrier's website via your tracking number.

CLASSIC PRODUCT SPECS / NOTES

Section Four

PRODUCT SPECIFICATIONS / NOTES

- RiverRun Cabinetry provides a broad selection of cabinet sizes and accessories.

DOOR REVEALS

- Our door reveals are 1" at the top of all cabinets to allow for moulding application and ¼" on all other sides.

DOOR CLEARANCE

- As with all full overlay door styles, clearance of doors and drawers must be taken into consideration during the design process to assure proper operation of all doors, drawers and roll out trays.

SINGLE DOOR CABINET HINGING

- Our cabinets are universally hinged. For the door to be hinged according to the designer's preference, it may need to be reversed in the field. Default is hinged right.

VANITY CABINETS

- All vanity cabinets are 34 ½" tall and 21" deep.

TOE KICK MATERIAL

- All cabinets with a toe notch require ¼" toe kick material. This needs to be ordered in addition to the cabinetry.

In keeping with a policy of continuous refinement, RiverRun Cabinetry reserves the right to alter specifications without general notice or obligation to make similar changes in previously produced product.

STANDARD PRODUCT MATERIALS AND CONSTRUCTION

CASE

- Standard face frames are traditional construction and are solid $\frac{3}{4}$ " thick with 1 $\frac{1}{2}$ " stiles and rails with mortise and tenon joints.
- End panels are $\frac{1}{2}$ " thick balanced veneer core plywood with birch faces. Interiors include a clear coat finish and exteriors have a natural finish, both with options to finish.
- Shelves are $\frac{5}{8}$ " thick balanced veneer core plywood with birch faces, sealed with a clear-coat and are adjustable and front edge banded.
- Backs are $\frac{1}{2}$ " thick plywood to allow multiple locations for installation. Base cabinet backs extend to the floor providing optimal structural stability.

DRAWERS

- Drawers are solid hardwood stock with dovetailed joints and are clear-coated on all sides.
- Bottoms are fully captured with $\frac{3}{8}$ " thick birch plywood.
- Slides are undermounted full-extension soft close.

HINGES

- 6-way adjustable. Integrated soft-close hinges standard for select door styles.

DOORS

- **Dalton (Cocoa)** is a birch full overlay door with 2 $\frac{3}{4}$ " stiles and rails. The center panel is a solid reversed raised panel. Drawer fronts are slab top drawer, 5-piece drawers all others.
- **Dalton (Gray)** is a birch full overlay door with 2 $\frac{3}{4}$ " stiles and rails. The center panel is a solid reversed raised panel. Drawer fronts 5-piece drawers.
- **Desoto (White)** is premium MDF full overlay door with 2 $\frac{3}{4}$ " stiles and rails. The center panel is a solid reversed raised panel. Drawer fronts are 5-piece. Soft-close doors come standard.
- **Hampton (Linen Glazed)** is premium MDF full overlay door featuring the same profiling as Bridgewater on the doors and drawers. Drawer fronts are 5-piece.
- **Lenox (Café Glazed and Chestnut)** is a birch full overlay applied moulding door with 2 $\frac{1}{4}$ " stiles and rails. The raised center panel is solid wood. Mortise and tenon joinery. Drawer fronts are 5-piece.

REVEALS

- Wall cabinet doors have a $\frac{1}{4}$ " reveal on bottom and sides. The top reveal is 1" for moulding installation.
- Base cabinet doors have a $\frac{1}{4}$ " reveal. The top drawer head has a $\frac{1}{4}$ " reveal at the bottom and sides and a 1" reveal on top.

FINISH

- Valspar standard formulations are used.
- Catalyzed conversion varnish top coat with UV protection is applied to doors, drawers and face frames.
- Glazing is applied to the doors and drawer fronts of those styles which come with a glazed finish.

CLASSIC DAMAGES & WARRANTIES

Section Five

DAMAGE PROGRAM

- In the event that you have a damaged or warranty item, we will take the most expeditious measures to replace the damaged parts.
- Your prompt response to the damage order confirmation request will keep the order moving as quickly as possible.

FOR DAMAGED REPLACEMENTS

- Please check the cabinet parts before assembly or installation as we will not replace the cabinet/part if it is installed or if an unassembled cabinet/part is assembled.

Process to replace a damaged cabinet/part:

- 1) Email (or fax) a completed Damage/Warranty Replacement Form to damages@riverruncabinetry.com. This information is critical for reimbursement, processing, and development of future preventative measures. (The form can be found in the following pages and electronically on the Dealer Site at www.riverruncabinetry.com.)
- 2) Do not use, destroy or discard the damaged item as it is the property of the freight carrier. It is required that the item be available for the shipping company to retrieve. They will contact you to arrange for pickup. If the carrier is unable to reclaim the part, you will be charged for the replacement.

WARRANTY REPLACEMENT PROGRAM

- In the event that you have a warranty item, we will take the most expeditious measures to replace the warranty parts.
- Your prompt response to the warranty order confirmation request will keep the order moving as quickly as possible.

FOR WARRANTY REPLACEMENTS

- Please check the cabinet/parts before assembly or installation as we will not replace the cabinet/part after it has been installed or after an unassembled cabinet is assembled.

Process to replace a warranty cabinet/part:

- 1) Please review our warranty.
- 2) Email/fax a completed Damage/Warranty Replacement Form to damages@riverruncabinetry.com. This information is critical for determining warranty qualification and development of future preventative measures. (The form can be found in the following pages and electronically on the Dealer Site at www.riverruncabinetry.com.)

Ten Year Limited Warranty

All of our cabinets are warranted to the original purchaser for ten years after the purchase date. We guarantee the original purchaser that all parts and components are free from defects in material and workmanship under normal use. (Defects are defined as any imperfection that may prohibit the proper use of the cabinets.) This warranty applies to the original cabinet purchaser only and is non-transferable.

As with other natural materials, wood is affected by environmental factors such as natural and artificial lighting. Darkening or mellowing of the wood can be expected and is a natural process of wood as it ages. Each wood specie also exhibits its own distinctive patterns and characteristics which add to its natural beauty. These variations in color and characteristics are not considered imperfections or defects. This warranty does not cover the natural aging and darkening of wood color nor does it apply to the inherent growth characteristics of wood. Expansion and contraction often due to the climate is normal and to be expected. Painted products especially may exhibit seam lines at the joints. This is not a defect and not a reason for replacement.

This warranty applies only to normal indoor consumer use. Product used for commercial purposes is excluded. Not covered under this warranty are cabinets showing normal wear and tear; cabinets that were improperly stored or installed, improperly assembled or disassembled, intentionally damaged, misused, or exposed to the elements; cabinets that have defects due to excessive moisture, accidents or negligence; and cabinets that have been changed or modified in any way.

This warranty is expressly limited to the repair or replacement of the defective component parts at our discretion. Our liability is expressly limited to the cost of the material for the repair or replacement of defective goods. We may elect to repair or replace the product with a product of equal value and complementary style if the original style is no longer available. Due to the aging process of natural wood, RiverRun Cabinetry cannot guarantee an exact match between the finish of the existing product and its replacement.

In no event are we liable for incidental, indirect, or consequential damages resulting from the use of our cabinets. This warranty does not cover the cost of assembly, installation, removal, subsequent damage or transportation of the defective product regardless of whether the work was performed by a contractor, service company, or consumer.

Some states do not allow limitations on how long an implied warranty may last or the exclusion and/or limitations of incidental and/or consequential damages. Therefore the above limitations may not apply. This warranty allows specific rights that may vary from state to state. Any claims made under this warranty must be presented in writing with a dated sales invoice and accompanied by photographs of defective material.

FULL ACCESS PRODUCT SPECS / NOTES

Section Six

PRODUCT SPECIFICATIONS / NOTES

- April 2018, RiverRun Cabinetry added a Full Access cabinet line in addition to their current framed cabinet offerings. This new line features two shaker door styles with a textured laminate finish and comes fully assembled.

CASE

- White melamine box that utilizes end panels for a finished look. End panels are $\frac{3}{4}$ " thick.

DOOR/DRAWER REVEALS

- Wall cabinet doors have a $\frac{1}{16}$ " reveal on all sides. $\frac{1}{8}$ " between doors.
- Base cabinet doors have a $\frac{1}{16}$ " reveal on all sides. $\frac{1}{8}$ " between double doors and between doors/drawers.

DOOR CLEARANCE

- As with all full access door styles, clearance of doors and drawers must be taken into consideration during the design process to assure proper operation of all doors and drawers.

SINGLE DOOR CABINET HINGING

- Single Door Cabinets are universally hinged on the right side. These doors may be reversed in the field as needed.

VANITY CABINETS

- All vanity cabinets are 34 $\frac{1}{2}$ " tall and 21" deep.

In keeping with a policy of continuous refinement, RiverRun Cabinetry reserves the right to alter specifications without general notice or obligation to make similar changes in previously produced product.

FULL ACCESS DAMAGES & WARRANTIES

Section Seven

DAMAGE PROGRAM

- In the event that you have a damaged or warranty item, we will take the most expeditious measures to replace the damaged parts.
- Your prompt response to the damage order confirmation request will keep the order moving as quickly as possible.

FOR DAMAGED REPLACEMENTS

- Please check the cabinet parts before assembly or installation as we will not replace the cabinet/part if it is installed or if an unassembled cabinet/part is assembled.

Process to replace a damaged cabinet/part:

- 1) Email (or fax) a completed Damage/Warranty Replacement Form to damages@riverruncabinetry.com. This information is critical for reimbursement, processing, and development of future preventative measures. (The form can be found in the following pages and electronically on the Dealer Site at www.riverruncabinetry.com. Go to "order forms" in the menu bar.)
- 2) Do not use, destroy or discard the damaged item as it is the property of the freight carrier. It is required that the item be available for the shipping company to retrieve. They will contact you to arrange for pickup. If the carrier is unable to reclaim the part, you will be charged for the replacement.

WARRANTY REPLACEMENT PROGRAM

- In the event that you have a warranty item, we will take the most expeditious measures to replace the warranty parts.
- Your prompt response to the warranty order confirmation request will keep the order moving as quickly as possible.

FOR WARRANTY REPLACEMENTS

- Please check the cabinet/parts before assembly or installation as we will not replace the cabinet/part after it has been installed or after an unassembled cabinet is assembled.

Process to replace a warranty cabinet/part:

- 1) Please review our warranty.
- 2) Email/fax a completed Damage/Warranty Replacement Form to damages@riverruncabinetry.com. This information is critical for determining warranty qualification and development of future preventative measures. (The form can be found in the following pages and electronically on the Dealer Site at www.riverruncabinetry.com. Go to "order forms" in the menu bar.)

Full Access Cabinet Line – Limited One Year Warranty

For cabinetry purchased on or after April 1, 2018.

Classic Distribution, Inc. (CDI) warrants that our Cabinets will be free from defect in material and workmanship for a period of one (1) year from the date of purchase (except where required by law to be two (2) years) or as per written agreement (no changes or modifications can be made to this warranty except by an officer of Classic Distribution, Inc.). This warranty is extended to the original purchasing consumer only for normal use of the product within the United States. This warranty is not transferrable.

Warranty Coverage

Limited One Year Warranty on Cabinets (except where required by law to be two (2) years) from the date of original purchase or as per written agreement to the original purchasing consumer that the cabinets will be free from defects in material and workmanship under normal use.

Warranty Limitations and Exclusions

- This Warranty does not apply to (a) damage caused by improper installation, (b) other product used or installed in connection with the cabinets including, but not limited to, appliances, countertops, moulding or plumbing fixtures (including the costs to remove and reinstall such other product), (c) product damage, loss, or theft either after delivery for material only jobs or after installation for installed jobs, or (d) damage caused by abuse or misuse, neglect, accident, alteration, exposure to moisture or extreme temperatures, failure to maintain, acts of God, or normal wear and tear.
- Natural wood characteristics including, but not limited to, variations in color, grain pattern, mineral streaks and knots are not considered defects. Note that color variations may also be affected by age, character of cabinets, and exposure to UV light, sunlight, smoke, household cleaners, and other environmental conditions. As such, new and/or replacement cabinets may not match display samples and/or existing cabinets. Any such variations and changes to RiverRun Cabinetry products, whether present during production or which develop over time, are not considered quality defects and are not covered by this warranty.
- Painted finishes have unique characteristics that differ from standard wood finishes. Various wood species is subject to its environment such as humidity and temperature and may expand or contract due to changes in weather, temperature, or climate. Due to these normal shifts in the environment, painted wood cabinetry may develop hairline cracks, peeling, or separation or seam lines. On select hardwoods and veneers, joints, seams, and some natural characteristics of the wood (including, but not limited to, grain patterns, knots, and mineral streaks) will remain visible through painted finishes. As painted cabinet products age, the finish may mellow or discolor slightly. The degree of change to the original finish color is affected by the products' exposure to natural and artificial light. These natural occurring or conditional variations in our cabinets are not covered by this warranty.
