

INSTALLATION NOTES & HOW TO'S

Attach Full Access Drawer Fronts

Instructions on how to attach or reattach a drawer front on a Full Access drawer box.

1

Find pin on the drawer front.

2

And insert it into the socket on the drawer base.

3

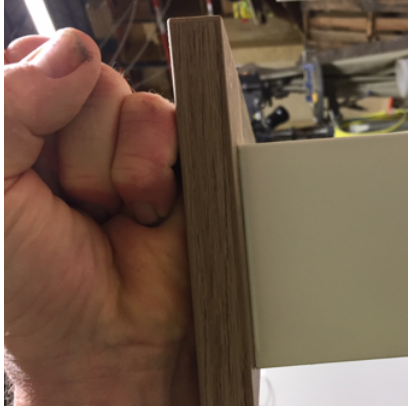

Slide in fully into slot.

4

You may feel a slight resistance just before clicking into place.

5

Apply light pressure with your hand or a soft face hammer until it clicks into the final locked position.
