### **NEW ACCOUNT SET-UP**

- Once your dealer application has been reviewed and approved, you will receive an email notification providing instructions for logging into our Online Order Site and registering for the Dealer site.
- <u>Please Note</u>: The Online Order site is different than the Dealer site with different logins and web addresses. (See below)

### DEALER SITE - www.riverruncabinetry.com/membership-login

- The Dealer site is where you will access the current 2020 Design catalog, updates for the sales binder, promotions, etc.
- Once your account has been approved and you receive a dealer account number by email, you can register for the Dealer Site. This is where you can access updates for the sales binder along with other useful sales aids, 2020 Design Catalog, promotions, etc. To register...

☐ Visit https://www.riverruncabinetry.com/membership-login/
Go to, "Are you a new RiverRun Dealer? Register for the RiverRun Dealer Website here."
☐ Enter your Dealer Account Number (found in your welcome email) when registering. You can register multiple user names and passwords for your company as long as each person uses your designated Dealer Account Number and each one is associated with a different email address.
☐ Once activated, use your user name and password to login:  https://www.riverruncabinetry.com/membership-login/

### ONLINE ORDER SITE - orders.riverruncabinetry.com

- The Online Order site is where you will create quotes and submit orders.
- Once your dealer application has been approved, you will receive a welcome email with your
  user name and password to log into the Online Order Site. See the ORDER PROCESS section of
  the binder for additional information about placing orders and using this site.

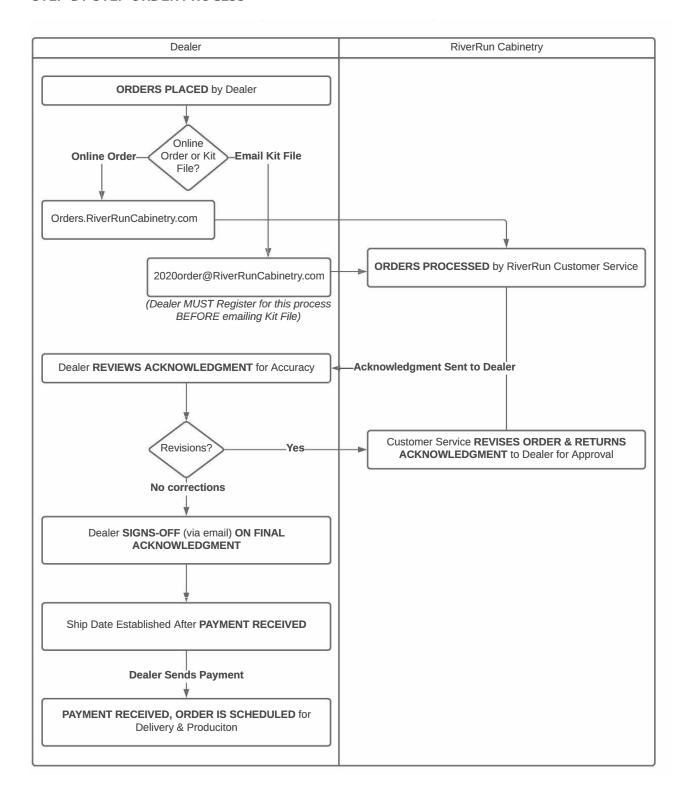

### **CUSTOMER SERVICE CONTACT INFO:**

**Phone:** 540-438-5973

**Email:** CustomerService@RiverRunCabinetry.com **Order Email:** Order@RiverRunCabinetry.com

(Use this email address to contact Customer Service regarding any RiverRun order.)

### **STEP-BY-STEP ORDER PROCESS**

### **ONLINE ORDER PROCESS**

• The new Online Order Site was in its final development stages when the Sales Binder went to print. The Online Order web address and order process will be published and available on the Dealer site when the Online Order site is finalized.

### **EMAILING 2020 DESIGN (KIT) FILES**

- Dealers need to email Carol Swinehart at *cswinehart@classicdistribution.us* the following information on each person/designer that will be sending 2020 KIT files as RiverRun orders:
  - Name (First and Last)
  - Email address
  - Company Name
- RiverRun staff will set up these contacts to be able to place orders. Dealers will be notified when they are able to place their first order, via their 2020 KIT file.
- Designers <u>must</u> use the most recent RiverRun/2020 Design catalog available. See the Dealer site for the most recent catalog.
- Approved dealers should send 2020 KIT file orders to: 2020order@riverruncabinetry.com

### **DESIGN SOFTWARE OPTIONS**

- 2020 Catalog is available on our Dealer site. Go to the 2020 Catalog link in the main menu for a link to the latest catalog.
- ProKitchen Catalog is available on the ProKitchen website at: https://www.prokitchensoftware.com/prokitchen-online/conf/riverrun.

### **EXPEDITE ORDERS**

- Depending on current production demands, RiverRun may not be able to expedite orders during certain periods of the year. Contact Customer Service to see if your order can be expedited.
- There is a 30% upcharge for these orders.

### **CANCELLATION POLICY**

- Canceled or modified orders (after approval) will have a 20% restocking fee if not yet shipped.
- Unpaid orders will be canceled after 45 days.
- Returns are not accepted.

### **CYCLE SHIP PROGRAM**

• This program offers our dealers better service with regular scheduled deliveries on our trucks, fewer shipping damages and reduced shipping costs with a landed multiplier. Contact your Sales Rep or Customer Service to see if you qualify for this program. (Certain restrictions apply.)

<ul> <li>The majority of our dealers use this program as long as they meet the following delivery parameters:</li> </ul>
$\Box$ Dealers will need to be able to receive delivery from a 70' truck (cab + trailer)
<ul> <li>Delivery address must be serviced by the customer to unload cabinets off the back of the trailer</li> </ul>
$\hfill \square$ For Job site delivery needs, please consult Customer Service for available options.
• Current Cycle Ship Programs include the following areas (subject to change):
☐ Local - Harrisonburg area
□ VMD - VA, MD, DE
☐ Northeast - eastern PA, NJ, NY, CT, RI, MA, VT, NH
☐ Southeast - NC, SC, GA, FL,
☐ Prairie - southern WV, KY, TN, IL, southern WI, IA, MO, NE, KS, eastern CO
☐ Midwest - MI, OH, western PA

- \$250 additional charge for all deliveries to metro NYC (NY, NJ, LI)
- Freight Surcharges may be added to all orders (including pick-up) to cover inbound freight costs

### CALCULATING FREIGHT COSTS FOR LTL SHIPMENTS (NON-CYCLE SHIP ORDERS)

- For dealers unable to use our Cycle Ship Programs, a freight grid will be created for you when your account is set up. Freight costs are based on the weight of your order and its destination.
- Customer Service will calculate orders that weigh less than 500 lbs or greater than 3000 lbs.

### SHIPPING ADDRESS CHANGES

• Changes to a shipping address after order confirmation will result in possible shipping delays and administrative fees.

### **REGISTERING NEW SHIP TO LOCATIONS**

- Contact Customer Service to set up new Ship To addresses. Please allow at least two business days for new addresses to be approved and set up in your account.
- If you are shipping to a new address that has not yet been approved, Customer Service will calculate the freight costs after you submit the order and will bill freight separately.

• PI	ease notify customer service if ship to addresses require any of the following services.
(LT	TL companies may charge higher fees on site, direct to you, if these are not noted prior to delivery.)
Riv	verRun will invoice customers for any accessorial fees incurred at time of shipment. Unpaid fees wil
res	sult in a block on the account. Customers should address disputed fees directly with LTL companies
	$\square$ Notification of delivery beyond tracking number
	$\Box$ Lift gate services (required if you do not have two people to unload cabinets off the back of the truck OR a truck height dock)
	☐ Residential/limited access area

### **CARRIERS**

- Carriers are selected based on the most economical rates. If you wish to choose another carrier, please contact Customer Service.
- Orders will be shipped palletized for LTL shipments only. Be sure to have proper equipment for receiving. This option is not currently available for our Cycle Ship Programs.
- Small items may be shipped via small package carrier. A damage disclaimer may need to be signed. Please check with Customer Service. Single assembled cabinets cannot be shipped via a small package carrier.

### **PICK UPS**

- Pick up orders are available and must be picked up with 24 hours of the availability date.
- Orders not picked up within the 24 hour time frame are subject to storage and handling fees.

### **MISSED DELIVERIES**

• Refused orders or missed deliveries will be charged a minimum of \$250 re-delivery fee.

### **DAMAGE PROGRAM**

- In the event that you have a damaged or warranty item, we will take the most expeditious measures to replace the damaged parts.
- Your prompt response to the damage order confirmation request will keep the order moving as quickly as possible. <u>All damages/warranties require approval of order acknowledgement</u>. <u>Orders will not be processed without written approval confirmation</u>.
- Shipping damage must be reported within 15 days.

#### FOR DAMAGED REPLACEMENTS

 Please check the cabinet/parts before installation as we will not replace the case after it has been installed.

### Process to replace a damaged cabinet/part:

- 1) Email a completed Damage/Warranty Replacement Form to damages@riverruncabinetry.com and photo(s) of damage. This information is critical for reimbursement, processing, and development of future preventative measures. (The form can be found in the "forms" section if this binder and electronically on the Dealer Site.)
- 2) Do not use, destroy or discard the damaged item as it is the property of the freight carrier. It is required that the item be available for the shipping company to retrieve. They will contact you to arrange for pickup. If the carrier is unable to reclaim the part, you will be charged for the replacement.

### WARRANTY REPLACEMENT PROGRAM

- In the event that you have a warranty item, we will take the most expeditious measures to replace the warranty parts.
- Your prompt response to the warranty order confirmation request will keep the order moving as quickly as possible.

### FOR WARRANTY REPLACEMENTS

• Please check the cabinet/parts before installation as we will not replace the cabinet/part after it has been installed.

### Process to replace a warranty cabinet/part:

- 1) Please review our warranty.
- 2) Email a completed Damage/Warranty Replacement Form to damages@riverruncabinetry.com. This information is critical for determining warranty qualification and development of future preventative measures. (The form can be found in the following pages and electronically on the Dealer Site.)
- 3) Replacement forms must include a picture in order for a replacement to be sent at no charge.

### **Ten Year Limited Warranty**

All of our cabinets are warranted to the original purchaser for ten years after the purchase date. We guarantee the original purchaser that all parts and components are free from defects in material and workmanship under normal use. (Defects are defined as any imperfection that may prohibit the proper use of the cabinets.) This warranty applies to the original cabinet purchaser only and is non-transferable.

As with other natural materials, wood is affected by environmental factors such as natural and artificial lighting. Darkening or mellowing of the wood can be expected and is a natural process of wood as it ages. Each wood specie also exhibits its own distinctive patterns and characteristics which add to its natural beauty. These variations in color and characteristics are not considered imperfections or defects. This warranty does not cover the natural aging and darkening of wood color nor does it apply to the inherent growth characteristics of wood. Color variations and color softening in cabinets are a natural occurrence due to species, age, character of cabinets, and exposure to UV light and sunlight. These changes are not valid reasons for replacements under warranty claims.

Extreme temperatures and humidity levels in homes may cause the shrinking and swelling (this change is usually more in width than height), or warping of materials, which are out of the control of RiverRun Cabinetry and are not covered under warranty. Do not install in new constructions until humidity and temperatures are controlled. Cabinet doors that warped must be allowed to hang through one seasonal heating cycle before replacement will be considered under this limited warranty.

• A twist or warp up to  $\frac{1}{4}$ " shall not be considered a defect for warranty replacement. Door sizes have a tolerance of  $(+ \text{ or } -) \frac{1}{32}$ ".

Product used for commercial purposes is excluded. Not covered under this warranty are cabinets showing normal wear and tear; cabinets that were improperly stored or installed, improperly assembled or disassembled, intentionally damaged, misused, or exposed to the elements; cabinets that have defects due to excessive moisture, accidents or negligence; and cabinets that have been changed or modified in any way.

RiverRun Cabinetry does not warrant the installation of "stand alone" or independent cabinets in widths greater than thirty-six inches and depths greater than twelve inches. All cabinets regardless of design dimension or shape must be affixed to "studs," permanently fastened to interior wall, floor or ceiling joists attached to permanent structures (i.e. interior partition wall or floor). IMPORTANT: Structural modification of a wall cabinet can significantly weaken the cabinet. For this reason modification are not recommended, if a modification is required, the warranty of the cabinet is void and it is the responsibility of the installer to take appropriate steps to compensate for any loss of strength or support due to the modification.

This warranty is expressly limited to the replacement of the defective component parts at our discretion. Our liability is expressly limited to the cost of the material for the replacement of defective goods. We may elect to replace the product with a product of equal value and complementary style if the original style is no longer available. Due to the aging process of natural wood, RiverRun Cabinetry cannot guarantee an exact match between the finish of the existing product and its replacement.

In no event are we liable for incidental, indirect, or consequential damages resulting from the use of our cabinets. This warranty does not cover the cost of installation, removal, subsequent damage or transportation of the defective product regardless of whether the work was performed by a contractor, service company, or consumer.

Some states do not allow limitations on how long an implied warranty may last or the exclusion and/or limitations of incidental and/or consequential damages. Therefore the above limitations may not apply. This warranty allows specific rights that may vary from state to state. Any claims made under this warranty must be presented in writing with a Replacement Form and accompanied by photographs of defective material.

## **CABINET SPECS & FINISHES**

### PRODUCT SPECIFICATIONS / NOTES

• RiverRun Cabinetry provides a broad selection of cabinet sizes and accessories.

### **DOOR CLEARANCE**

• As with all full overlay door styles, clearance of doors and drawers must be taken into consideration during the design process to assure proper operation of all doors, drawers and roll out trays.

### SINGLE DOOR CABINET HINGING

• Using the Online Order System, please select hinge left or hinge right on single door cabinets.

### **CABINET SIZES**

- All wall cabinets are 12" deep unless otherwise specified.
- All base cabinets are 34½" tall and 24" deep.
- All vanity cabinets are 34½" tall and 21" deep.

### TOE KICK MATERIAL

• All cabinets with a toe notch require  $\frac{1}{4}$ " x  $4\frac{1}{2}$ " high, toe kick material. This needs to be ordered in addition to the cabinetry.

In keeping with a policy of continuous refinement, RiverRun Cabinetry reserves the right to alter specifications without general notice or obligation to make similar changes in previously produced product.

### STANDARD PRODUCT MATERIALS

### CASE

- Standard face frames are traditional construction and are ¾" thick with 1½" stiles and rails made of solid wood.
- End panels are ½" thick plywood with birch faces. Interiors include a clear coat finish and exteriors have a natural finish, both with options to finish.
- Shelves are 3/4" thick balanced veneer core plywood with birch faces, sealed with a clear-coat and are adjustable and front edge banded.
- Backs are ½" thick plywood to allow multiple locations for installation. Base cabinet backs extend to the floor providing optimal structural stability.
- Toe kick is recessed 4" and is 41/2" high.

### **DRAWERS AND GLIDES**

- Drawers are constructed with dovetailed joints and are UV clear-coated on all sides.
- Bottoms are fully captured plywood.
- Glides are under mounted full-extension and soft close.

### **HINGES**

• Integrated soft-close hinges are standard for all door styles.

### **REVEALS**

- Wall cabinet doors have a ¼" reveal on bottom and sides. The top reveal is 1" for moulding installation.
- Base cabinet doors have a ¼" reveal on bottom and sides. The top drawer head has a ¼" reveal at the bottom and sides.
- All base cabinets have a 1" reveal on top.

### **FINISH**

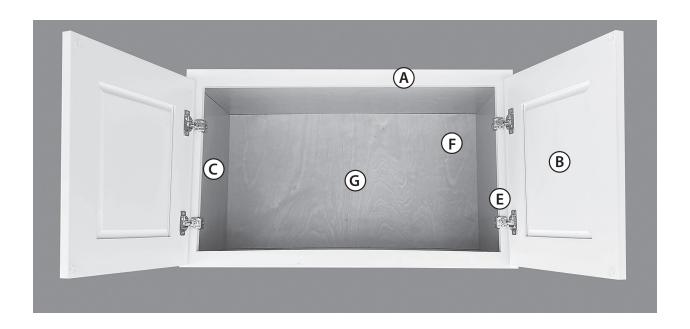

• Catalyzed conversion varnish top coat with UV protection is applied to doors, drawers and face frames.

### **SPECIES**

Natural Hardwood

River Run Cabinetry

## (A) FACE FRAMES

Constructed from 3/4" hardwood. Base and wall frames have 11/2" stiles and rails.

Wall cabinets have a 1" reveal at the top for moulding installation. Bottom and sides have \%" reveal.

## B DOORS

Premium full overlay door styles with softclose door hinges. Stained doors are solid hardwood and painted doors are MDF. (See door specification pages: SF6-10 for details.)

## (C) PANELS

Constructed from ½" plywood with option for finished ends. Ends, tops and bottoms are captured in frame grooves. Backs are captured in end panel grooves.

## (D) SHELVES (not shown)

Constructed from ¾" plywood and finished on both sides. Wall shelves are adjustable at 2½" increments. All secured for shipment with locking shelf clips utilizing ¼" diameter dowel.

## (E) HINGES

6-way fully concealed 108° self-closing cup hinges that allow easy height, width, and depth adjustment. Soft-close hinges are standard.

## (F) CABINET INTERIOR

Sealed with clear-coat finish. Finished Interior\* option may be selected on wall, base and tall cabinets up to 24" deep.

## G BACKS

For ease of installation, backs are solid  $\frac{1}{2}$ " plywood.

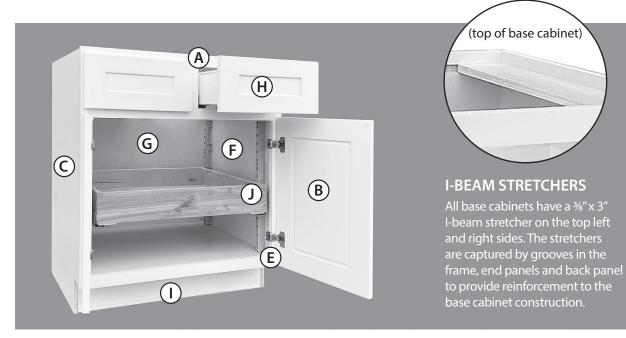

# (H\*) FINISHED INTERIORS (FI) - optional (not shown)

Cabinet interiors will be finished to match exterior. Shelves in cabinets with Finished Interior option will also be finished to match exterior.

## **BASE CONSTRUCTION**

River Run Cabinetry

### (A) FACE FRAMES

Constructed from  $\frac{3}{4}$ " hardwoods. Base and wall frames have  $\frac{1}{2}$ " stiles and rails. Base cabinets have a 1" reveal at the top. Bottom and sides have  $\frac{1}{4}$ " reveal.

### (B) DOORS

Premium full overlay door styles with softclose door hinges. Stained doors are solid hardwood and painted doors are MDF. (See door specification pages: SF6-10 for details.)

### (C) PANELS

Constructed from ½" plywood with option for finished ends. Ends, tops and bottoms are captured in frame grooves. Backs are captured in end panel grooves.

### (D) SHELVES (not shown)

Constructed from ¾" plywood and finished on both sides. Base shelves are half depth adjustable at 2½" increments. All secured for shipment with locking shelf clips utilizing ¼" diameter dowel.

## (E) HINGES

6-way fully concealed 108° self-closing cup hinges that allow easy height, width, and depth adjustment are standard.

## (F) CABINET INTERIOR

Sealed with clear-coat finish. Finished Interior\* option may be selected on wall, base and tall cabinets up to 24" deep.

## (G) BACKS

For ease of installation, backs are solid ½" plywood. Base cabinet backs extend to the floor providing optional structural stability.

### (H) DRAWERS

Drawer boxes are solid hardwood with dovetail joints and clear-coat. Bottom are fully captured plywood. Glides are under mount, full extension soft-close.

### (I) TOE KICKS

Constructed from  $\frac{1}{2}$ " unfinished plywood. They are inset into the cabinet box  $3\frac{1}{2}$ " and are  $4\frac{1}{2}$ " high. Toe Kick Material (TKS) required to finish the toe kick space.

## (J) Roll Out Tray & Pilaster Kit (optional)

Dovetail construction for roll out tray box with undermount glides. Pilasters are installed at each corner of a base or pantry cabinet (pantries get 2 sets of pilaster kits) with slots allowing for approximately 1" height adjustments.

#### **Osborne Wood Products Program**

RiverRun Cabinetry will finish paint grade Soft Maple (for paint) and Russian Birch (for stain) items to match your RiverRun Cabinets.

#### Please follow instructions closely.

- 1. Visit OsborneWood.com and add your selected items to your cart.
- 2. At Checkout, complete the "Shipping & Billing" address page as shown below:

**Proceed to Shipping and Payment** 

- 3. We will receive your package, unpack, inspect for damage, finish the same color as your RiverRun order number indicated on your referenced order.
- 4. RiverRun will re-pack your finished products and ship them to you.

#### **Please Note:**

- You must order and pay for the items with Osborne Wood Products.
- You must select paint grade Soft Maple (for paints) or Russian Birch (for stains) for wood species.
- If we do not receive your products within ample time for finishing, we will charge a delivery fee to FedEx or Cycle Ship your Osborne Wood Product items to you.
- Must be accompanied with a minimum 5 cabinet order.

#### **Costs for Finishing (Net Prices):**

• Island Legs, Posts, Split Posts up to 5" wide, 42" tall
• Corbels, Shelf supports up to 5" wide, 16" tall
• Larger items up to 60" wide, 42" tall, 24" deep
• Hoods (cost per square foot) (call Customer Service for quote)

## SHOWROOM DISPLAY PROGRAM & AGREEMENT

We are pleased to offer you 50% off on showroom displays and all sales aid items!

The following details the eligibility requirements:

- Displays are to be in a primary retail showroom space.
- Displays are to be a representation of the product as a kitchen (6 cabinets in the same style).
- Display must be installed within 30 days of delivery.
- Display must be used as a showroom display for a minimum of 12 months.

Customer Service will review the display order once it is submitted. They will have final approval over whether orders qualify as displays and if they receive the display discount.

- This program does not include sales aids or vanities as stand alone displays.
- Modifications can be made to these cabinets, however modification prices are not discounted.
- Standard freight charges apply.

I agree to the RiverRun Showroom Display rules and guidelines	,
