

 RiverRun™
CABINETS

OUR MISSION

We combine beauty and value,
with flexibility and ease,
turning houses into homes.

Our cabinets are beautifully crafted
in the Shenandoah Valley of Virginia
and sourced in the USA.

Welcome to RiverRun.

We understand that cabinetry is more than just a design choice — it's part of the everyday rhythm of your home. It's where meals are prepared, conversations unfold, and life happens.

At RiverRun, we're dedicated to building cabinets that combine craftsmanship, style, and value — helping you create a space that feels both functional and personal.

Please use this Cabinet Collection Guide as a point of reference, while relying on your RiverRun dealer to confirm availability and color selections and bring your desired final look and style to life.

We appreciate the opportunity to be part of your home.

With heartfelt gratitude,

The RiverRun Family

Please refer to actual samples for final selection.*

Note: Dalton door center panels are made from multiple pieces of solid birch wood, so natural variations in color and grain will occur, giving each door a unique appearance. These are not defects and are not covered under warranty.

The Natural finish is a clear UV topcoat that highlights these characteristics, making variations more visible.
